Kitsap Strong Updates & Save the Dates

Since 1937, United Way of Kitsap County has been investing in our community. Building partnerships, leveraging resources, empowering community, and creating long-term solutions.

When a child succeeds in school, when families & individuals are safe, healthy and jobs are available. When we invest in collaborations and work that helps break the cycle of inter-generational poverty, we all win.

Kitsap Strong, a collaboration with United Way, Kitsap Community Foundation and the Suquamish Tribe, was created to improve the well-being and educational attainment of Kitsap residents. Together, we are making great strides. Here is the [link to the first 4-year](#) report.

Because change doesn't happen alone. We have one life. To live better, we must Live United!
