WOW! WE DID IT!!

On Saturday, September 14, 2019, Team United Way of Kitsap County, joined 30 brave Edgers in the first

[Over the Edge for Kitsap Strong](#). With assistance from a patient OTE crew & amazing volunteers they rappelled down the Norm Dicks Government Center building, in exchange for donations back to our amazing community/collective impact partner, Kitsap Strong. The vendors and DJ Joe, all helped to add to a very festive atmosphere. Congratulations to all who stepped over their fears to support this important work - as we fight for the education, health, and financial stability of everyone in Kitsap County.

The future of our regional 2-1-1 system is in Your Hands. Due to recent funding changes that supported our regional Crisis Clinic, that work is now being moved from KMHS to Everett. This leaves a huge funding gap that also helped to support our regional 2-1-1 system, which began as Info-Link nearly 20 years ago. As one of the key funders for the 2-1-1 piece of this partnership, we are working to bring it into our office to ensure this critical resource, not just for

day to day health & information services, but also during disasters, stays as a resource. We are looking for potential corporate sponsors and grant funds to sustain this vital resource. Please contact [Carl](#) for more information.
