RESPONSE FUND**

UNITY IN THE COMMUNITY
Kitsap's COVID-19 Response Fund

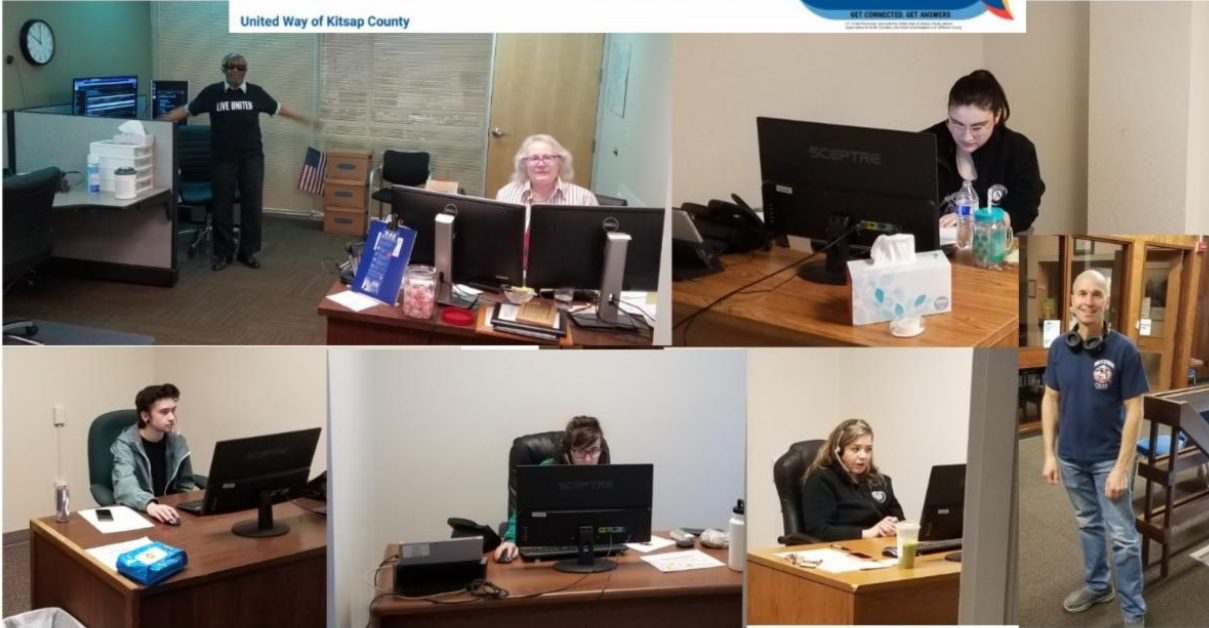

As community leaders and philanthropists we focus on protecting and aiding those who are most vulnerable. With the COVID-19 pandemic impacting those among us, Kitsap Community Foundation and United Way of Kitsap are stepping up to help Kitsap and North Mason nonprofits and those who are impacted during this time.

We invite your support and participation in the following ways:(see full article)

If your organization would like to join the coalition as a funding partner, contact Kol Medina, CEO of Kitsap Community Foundation, at 360-698-3622, or Carl Borg, CEO of United Way of Kitsap County at (360) 377-8505.

What is the 2020 Census?

You should have received your code in the mail.

You Count - Be Counted!

Takes less than 10 minutes via the new online tool.

CENSUS 101: WHAT YOU NEED TO KNOW

The 2020 Census is closer than you think!
Here's a quick refresher of what it is and why it's essential that everyone is counted.

Everyone counts.

The census counts every person living in the United States once, only once, and in the right place.

It's about fair representation.

Every 10 years, the results of the census are used to reapportion the House of Representatives, determining how many seats each state gets.

It's in the Constitution.

The U.S. Constitution mandates that everyone in the country be counted every 10 years. The first census was in 1790.

It's about \$675 billion.

The distribution of more than \$675 billion in federal funds, grants, and support to states, counties, and communities are based on census data.

That money is spent on schools, hospitals, roads, public works, and other vital programs.

It's about redistricting.

After each decade's census, state officials redraw the boundaries of the congressional and state legislative districts in their states to account for population shifts.

Taking part is your civic duty.

Completing the census is mandatory: it's a way to participate in our democracy and say "I COUNT!"
