

GRANT REPORT

Status of the Fund

Thank you for supporting Unity in the Community - Kitsap's COVID-19 Response Fund! Because of you and other donors, the Fund has provided a supberb amount of targeted assistance to our community. On the following pages of this Grant Report, you'll find a list of all of the grants made from the Fund. We have yet to distribute some of the Funds because we are still actively developing Relationship Needs grants. And I'm pleased to announce that we are launching a fundraising effort to raise funds specifically for the Equitable Community Needs focus area.

\$395,000 has been donated to the Fund, largely from the following contributors: United Way of Kitsap County, The Ballmer Group, Columbia Bank, First Federal Community Foundation, Medina Foundation, Orchard Foods, Perigee Fund, Puget Sound Energy, Sparky's Fund, Town & Country Markets, and Windermere Foundation (Poulsbo Office).

Funding Focus Areas

Working together to administer the Fund, Kitsap Community Foundation and United Way of Kitsap have defined four focus areas that the fund is supporting or intends to support.

- **Basic needs:** food, meals, and resource support for physical/mental/behavioral health services for our most vulnerable neighbors in the community.
- **Relationship needs:** offering ways to reduce toxic stress and connect our resilient community in a safe and caring way during a time when physical distancing is our best public safety measure.
- **Nonprofit needs:** support to nonprofits that are at risk of failing if funding is not available in the longer term.
- **Kitsap Racial Equity and Empowerment Fund:** support for culturally relevant programs, services, and activities in Kitsap that are aimed at lessening the inequities caused or exacerbated by the COVID-19 crisis in or for communities of color, with an emphasis on the needs of the Black community.

Grants made from the Fund

GRANT DATE	GRANTEE NAME	AMOUNT	PURPOSE
7/1/2020	Kitsap Immigrant Assistance Center	\$10,000.00	The grant funds will be placed into KIAC's Emergency Assistance Fund, which provides direct support to families as the requests for help with rent and food continue to come in. 100% of the Emergency Assistance Fund goes to local immigrant families experiencing exceptional need, and inevitably toxic stress along with that need, in the form of food and rent assistance.
6/29/2020	Scarlet Road	\$1,500.00	Subsequent funding will provide additional safe and positive experiences in community for 20 survivors and their families during the summer through offering summer fun baskets, food, and activities for their healing.
6/29/2020	Bethany Lutheran Church, School and Early Learning Center (ELC)	\$2,000.00	Funding helps to continue hosting a series of weekly summer reading events for families over 5 weeks that socially connects a community in a safe physical distancing way during COVID -19. Families (determined by the cars) can keep the two books read together as a community for bedtime. Families will also be invited to select additional books from a "book buffet table" in a way adhering to public health guidelines.
6/15/2020	Bainbridge Youth Services	\$3,000.00	Fund 1:1 free counseling for teens and a counselor for every two guardians/parents for free parent coaching.
